

ZACH NEIL

Zach Neil was honored to be awarded the Male Artist Of The Year at the 2022 Texas Country Music Awards. Zach's worked awfully hard over the past few years, honing his craft as a singer, songwriter and live performer who uniquely puts his own twist on traditional country music.

Zach has earned four consecutive Top 40 Texas country singles – not bad for guy who had planned to follow in his dad's footsteps and become a farmer. Farming was the family business and still is, but when Zach was 16 years old, his country band entered a "Battle of the Bands" competition at their high school and tied for first place. Zach has never looked back.

Zach's previous Top 40 Texas country singles are: "When She Drinks Whiskey" (2019); "Something In The Stars" (2020); "Half Bad" (2021); and "Long Live the Cowboy" (2022). His new single, "All The Pretty Horses," metaphorically takes us on a journey as horses break loose and run free, integrating cinematic drama and heartfelt poetry.

Zach is currently on tour. "I love playing live. Every show is different, every crowd is different. Each night on stage is a chance for me to grow, to make new friends, and to share my love for country music."
